Patient/Client Agreement Form

Each patient/client is required to read the following before treatment. By signing below, you acknowledge the following:

I, the undersigned, wish to participate in Osteopathy sessions ("Sessions") run by Arianne Gosselin, Osteopathic Manual Practitioner. As a condition to my participation in the Sessions, I hereby signify that:

1. I understand that the Sessions are offered to support healing and do not constitute an effective substitute for the medical treatment of illness, injury, or any other medical condition. I will consult my regular physician(s) prior to engaging in the Session(s) in which I am participating and will continue to consult with my physician(s) during such Sessions regarding my health and any medical treatment that I may require. By signing below in this document, I am giving full consent to the manual therapy for this Session and any Sessions that may follow in the future.

2. I understand that Arianne Gosselin is NOT functioning as a physician, nurse, emergency medical technician, and that by making the Sessions available, is not undertaking any responsibility regarding my medical condition(s). If my medical condition should change, I understand that it is my responsibility to discontinue the Sessions and to immediately consult with my physician about continuing or resuming participation in the Sessions.

3. I agree that I am responsible for deciding whether to participate in the Sessions, and I have not relied on the advice of any other person, in doing so. I have had the opportunity to ask questions about the Sessions and this Consent, Waiver and Release, and have received answers to my satisfaction. I understand the risk involved in participating in the Sessions, including potential risk of physical injury. I agree to assume all risks associated with participating in the Sessions and agree to assume full responsibility for any injuries, losses, or other damages that I may suffer as the result of my participation in the Sessions.

4. I understand that all of the information recorded on the health history form is essential to give the most effective and safest treatment. In signing this form, it is understood that everything recorded is strictly confidential and no information may be released or discussed with anyone without your written consent. I consent that all of the information provided is accurate and up-to-date. I understand that it is necessary to notify my therapist of any changes to my medical history BEFORE treatment. I have discussed the nature of the treatment and consent to treatment as described by my therapist.

5. I understand that Arianne Gosselin does not participate in WSIB or MVA claims. I understand payments are to be made in Visa, MasterCard, Debit, Cheque or Cash form and that payment is due upon completion of the Session.

6. I understand that I am to arrive 10 - 15 minutes prior to my scheduled Session appointment. In the case of late arrivals, I fully understand that only the time remaining for my appointment will be allotted at the discretion of the therapist. I understand that if I am unable to make my scheduled Session appointment, I will provide 48 hours notice so that others may receive treatment in my place. I understand that missed appointments without 48 hours notice (2 business days) will be issued a full charge of the time scheduled, except in the event of severe illness or family emergency. I understand that correspondence with Arianne Gosselin will be in the form of e-mail (preferred) or, in immediate cases, telephone (no text messages).

7. I understand that prior to my Session I will not wear perfume/cologne as others may suffer from severe allergies or are sensitive to scents. Because of the nature of Osteopathy, I will wear appropriate clothing, such as shorts and a t-shirt, that are loose and comfortable.

8. I hereby release, indemnify and hold harmless Arianne Gosselin and her directors, officers, parents, subsidiaries, affiliates, and agents from any and all claims, demands, personal injuries, costs, or expense (including attorney's fee) arising from or relating in any way to my participation in the Sessions.

9. I understand that, if I am under the age of 18, I must have a parent or legal guardian accompanying me for all Sessions. Should treatment continue past my 18th birthday, I have the option to continue with this accompaniment or proceed individually.

10. I have read this Consent, Waiver and Release or have had it read to me, if necessary, and I fully understand its contents. In signing this document, I agree to all the terms and policies outlined and have disclosed all information throughout the health history form that could possibly have an effect on the outcome of my health. I am voluntarily executing this Consent, Waiver and Release.

I certify that I have read and understand the policy requirements listed above.
